

Vision™ Air Handlers conform to your space.
Not the other way around.

McQuay® Vision Air Handlers give you the flexibility to build the exact air handler required for your project. Our unique Variable Dimensioning™ design enables cabinets to be sized in 2-inch increments to fit almost any space. And our custom-modular platform allows you to easily select components that maximize indoor air quality, energy efficiency, quiet operation – and minimize installation costs.

Visit www.go.mcquay.com or call 1-800-432-1342 for a free brochure and the name of your local McQuay representative.

Engineered for flexibility and performance.™
