

There's A Better Way To Stop Air Handler Leaks.

Vision™ Customized Air Handlers from McQuay deliver air leakage rates so low, you'll think they're costly custom units. Plus, Vision gives you all the flexibility you need to design the optimum air handling system for your project. How? With airtight construction features unprecedented on commercial air handlers and nearly endless mix-and-match factory options. Your client gets higher efficiency and IAQ, quieter operation, and lower operating and service costs. And nobody has to seal a leaky air handler. *Call 800-432-1342 or visit www.mcquay.com/what's_new for a free brochure and the name of your local representative.*

Vision's patented, custom-modular product platform and SelectTOOLS™ software make air handler designing and specifying easy.
